

September 2018

Dear Sir or Madam,

We are writing on behalf of the North Shore Mothers of Multiples, a Chapter of the Massachusetts Mothers of Twins Association (MMOTA), a 501(c)(3) charity affiliated with Multiples of America, formerly known as the National Organization of Mothers of Twins Clubs, Inc. NSMOM is proud to be hosting the 56th annual Massachusetts Mothers of Twins Convention at the Four Points Sheraton Wakefield on November 2-3, 2018. The primary goal of the convention is to provide education, support and understanding through workshops and speakers for families coping with the unique circumstances of having twins or other multiple births. The convention will be attended by mothers from across Massachusetts as well as delegates from the other New England States.

We are asking for financial support to help host the convention, and to keep the benefits of this event available to as many mothers as possible. One hundred percent of all contributions raised will go towards the convention and benefit the Massachusetts Mothers of Twins Association and North Shore Mothers of Multiples. Additionally, we raffle prizes at the convention to raise funds for our organization and you may donate items or gift certificates for your business to be raffled in lieu of a cash donation.

All contributors will be recognized on the convention website and in the convention program received by every attendee. You may also submit an advertisement to run in the convention program by returning the attached form at your earliest convenience.

Your thoughtfulness and generosity for this worthwhile event is greatly appreciated.

Sincerely,

Kristy Kim
