

Dear Members of MMOTA:

On November 12, 2007 my 30-year-old son, John Anthony Koczan passed away. He was hospitalized on November 9, after suffering from a grand mal seizure followed by a massive heart attack. John was a kind, giving person. He was loved by many; many more than 600 people attended his wake. This was quite a tribute to such a humble man.

John was an organ donor and his heart is now beating in the chest of a mom, who was 48 at the time with two sons. His left kidney and liver went to a 52-year-old dad of two sons. His right kidney saved the life of a 53-year-old gentleman who was in the last stages of renal failure.

During those difficult days, my family and I decided to start a scholarship in his memory. This Spring John's Twin Tracey and I will present the Seventh Annual John Anthony Koczan Memorial Educational Award at the May Installation Banquet.

We hope to continue these awards for many years. This will be John's legacy. Please encourage your multiple birth children to apply for this award.

Sincerely,

*The Koczan Family*
