Dear Chapter Presidents, Delegates, Members, Officers and Chairpersons:

I hope everyone had a great summer! 2020 sure has been filled with many surprises for all of us. COVID19 brought me to work from home for 6 months, have an endless search for toilet paper and hand sanitizer, and quarantine with my man, my daughter and his kids. I lost my cat as she got out through a window. She was gone for 3 months and at the grace of GOD, she returned home 2 weeks ago with the help from our fliers and a local resident. I moved to Maine in July and this will be my residence from now on. My twins went off to college, thankfully COVID has not ruined this next step in their lives. One is at Framingham State University and the other is at the University of New Hampshire. I hope everyone has survived these last 6 months and have been safe and healthy.

Please forward this information to your membership.

Our September General Meeting is planned for Wednesday, September 23rd at 7 p.m. This meeting will not take place at a hall due to social distancing and the risk of our members. I will hold a zoom meeting or provide a conference call number to all of you who wish to join in on the meeting.

Convention 2020 has been postponed for this year and it will be held next year as planned by the same hosting club. More details will be available next year.

Each year, MMOTA relies on chapters to volunteer to host the state meetings with refreshments and to host the May Installation Banquet. We will be looking for someone to host the March General Meeting and the May Installation meeting for next year, 2021. Please contact anyone on the board to volunteer or to ask any questions you may have.

Officer Chair positions are open. Please consider volunteering for State. I will be stepping down as President and Kristen Potter is stepping down as Treasurer. ALL board positions will be empty as the Parliamentarian and the Executive Secretary will remain Bernie Ganino and Jan Merson. It would be great to see new faces and new ideas. State will not exist if someone doesn't step up and take over these positions. It will definitely be a sad time in history if this occurs. If you have any questions, please feel free to contact Bernie Ganino as she is the parliamentarian and in charge of the slate of officers and installation. The MMOTA resume can be found on the website or in your chapter binder.

The Moms Career Award application has been attached to this letter. You will find everything you need to know in Bernie's letter and on the form. Please return the application to Bernie no later than October 15, 2020.
